

Pump upgrades

As the older versions of the vacuum pumps are not available anymore, we created different upgrade sets to replace the pump and electronics to the new pump model.

For replacement of 15270 you need the new pump and new pump plates.

Pump upgrades to 88400-0283							
Original pump	CS-500/CHS-500	CS-530	CS-580/CHS-580	CS-2000	CW-800	CS-580A/CHS-580A (Helios)	CS/CW-800M (Multiphase)
09270	Upgrade Kit 15271-8001
